

## Asking questions with questions words in the Simple Present

Where does Gustav play American football?

Why does Hannah like horses?

When do you go to school?

Rule: question word + do/does + subject + V1 (without "to") + rest of the sentence

Be very, very careful:

→ die Regeln für die Bildung von Fragen mit do/does gelten nur für Vollverben. Bei Fragen mit Hilfsverben (zB "can"), "have got" oder "to be" gelten sie nicht:

Oh my Gooooo ... when is this lesson over?

Can your horse dance?

Have you got a pet?
