

### Reading Comprehension:

Green Moose Camp is awesome! I love the wilderness and moose and bears, but I still didn't want to go at first because I didn't know anyone there except Ryan – and he wasn't going to be at the camp with me all the time. But then I met Sia. It's always fun with her, but she's totally afraid of wild animals. This morning, Sia and I got up really early while everyone else was still sleeping, because Sia wanted to practise swimming in the lake for the swimming challenges in the camp. We were really quiet so that nobody could see us. It was before the sun came up, so it was difficult to see things. Sia followed me and just before we got to the lake, she saw something that was round and brown, lying on a rock. She shouted, "Look out! Run, Emily, run! There's a cougar on the rock!" But it was just a brown jacket. When we came to the lake and I started to swim, Sia saw a long thing in the lake. She shouted again, "Oh no! Get out, Emily, get out! There's an alligator!" Silly Sia! An alligator, here? This time it was just a canoe in the water. It turned over yesterday and someone just left it there. On our way back to the camp, Sia saw something brown again, in a tree over her head. This time, she said, "We must tell Ryan that he forgot his bag in a tree!" and she walked under the tree and didn't look up. But there was actually a big porcupine in the tree. It looked really shocked ...

## 2. Vocab exercises:

a) Jackson and Aiden, two boys from New York, are talking about what they can do in their next summer holidays. Complete their dialogue.

Jackson: I found out about a camp called Colorado Camp. It's in the **R**\_\_\_\_\_ **M**\_\_\_\_\_. Did you know that they are the longest line of mountain **r**\_\_\_\_\_ in America? It sounds like great fun to me. You can **h**\_\_\_\_\_ and even go **c**\_\_\_\_\_ there.

Aiden: Oh no, I don't like that kind of activity. You just have to **f**\_\_\_\_\_ the **l**\_\_\_\_\_ along those boring **t**\_\_\_\_\_. And sometimes they want to go up to the highest **p**\_\_\_\_\_, so you get really tired feet.

Jackson: But I don't want to go with **a**\_\_\_\_\_ **e**\_\_\_\_\_! It's no fun without you. And you like animals a lot, don't you?

Aiden: Yes, but ...

Jackson: Well, in the mountains you can see a lot of them with a bit of **l**\_\_\_\_\_. You could see a **m**\_\_\_\_\_, or a **b**\_\_\_\_\_, **c**\_\_\_\_\_, or maybe even a **p**\_\_\_\_\_!

Aiden: Why didn't you tell me before? That sounds like a great **a**\_\_\_\_\_! So it's **o**\_\_\_\_\_ to the Rockies for the two of us! I am really **l**\_\_\_\_\_ **f**\_\_\_\_\_ to our vacation now!

b) Sia and her mom go shopping for Green Moose Camp. Complete the text.

Sia: They say it's **i**\_\_\_\_\_ to take shirts with long **s**\_\_\_\_\_ with me so the insects can't **b**\_\_\_\_\_ me too much.

Mom: All right, and you need a **j**\_\_\_\_\_ to wear over your shirt, so that you don't get cold, and new **p**\_\_\_\_\_; you can't wear shorts all the time. Here are some that are nice. Take them and go over there to the **f**\_\_\_\_\_ **r**\_\_\_\_\_. You can **t**\_\_\_\_\_ them all **o**\_\_\_\_\_ in there.

Sia: That's great, Mom, thanks. But I really need new **b**\_\_\_\_\_, too because they're warmer than shoes and go higher up my leg. Can you look for some, please?

Mom: Why don't you take your cousin's old pair? She's got a great pair for **h**\_\_\_\_\_ in the mountains. They don't **f**\_\_\_\_\_ her any more, but if you wear two pairs of **s**\_\_\_\_\_ in them, I don't think they're going to be too **b**\_\_\_\_\_ for you.

Sia: Oh Mom, but I want new boots, please! She wore them a lot and they **s**\_\_\_\_\_ like old cheese!
